QORRAXDA

H O R D H A C

Hore ugama ay dhicin taariikhda dugsiyada hoose ee dalkennaa in maadadda Sayniska lagu barto fasalka khowaad iyo kan labaad midnaba. Imika oo ah markii ugu horraysay ee taas oo kale ay dhacdo, waxa lagama maarmaan noqotay in carruurta fasalka labaad, loo dejyo buug habaysan oo ku abuuра xiiso iyo jacayl xagga barashada Sayniska.

Buuggan oo loogu talagalay ardayda ku jirta fasalka Laabaa ee dugsiyada Baraymariga, wuxu yahay mid ku fadhiya habka cusub ee carruurta Sayniska loo baro. Wuxu si weyn wax uga beddelayaa habkii hore ee dugsiyadeenna Sayniska looga baran jiray, wuxu dhiirri gelinaya in ay carruurtu iskood wax u baaraan, wixii ay arkaanna fiiro gaar ah u yeeshaan. Wuxu ilmaha dareensiinaya in uu saynisku yahay barasho la xiriirta waxyaalaha agagaarkiisa ah ee uu maalin walba arko ama maqlo.

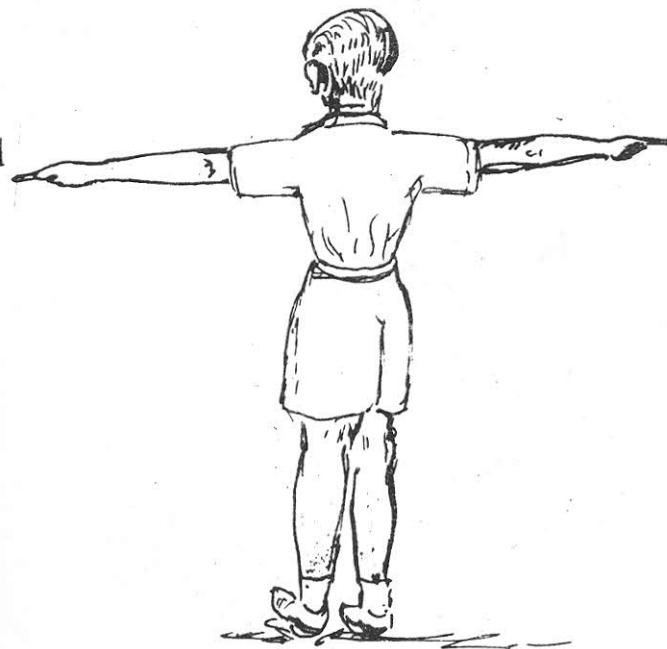

Xafiiska Manaahijtu wuxu mahad weyn u celinayaan Muuse Xuseen Askar iyo Cismaan Jaamac Daahir oo buuggan qoray iskuna dubbariday. Wawa kale oo mahad weyn uu u celinayaan Cabdillaahi Riyaale iyo Idriis Maxamuud oo buuggan sa-wirrada u sameeyey, iyo dadkii buuggan garaacya.
